

Dear Community Partner,

It is with great pride and excitement that I write today to inform you of a project that is being driven by the *Wolseley - North American* business groups (which includes Ferguson Integrated Services) in support of *Habitat for Humanity*. On a corporate level Ferguson is a national partner with Habitat for Humanity but the local *Ferguson Enterprises* associates are participating in a project to build an entire home for a family in Cincinnati, Ohio.

Habitat for Humanity is a nonprofit organization with a mission to eliminate poverty housing and homelessness from the world. Habitat for Humanity has built more than 225,000 homes around the world and has provided over 1 million people with decent, affordable shelter.

Ferguson Enterprises associates, along with the chosen Habitat Family, will be working 20 Saturdays during the spring and summer of 2008 to complete the home from “the street to the shingles.” This is the first time in this region that a single organization will be responsible for all of the fundraising efforts, materials management and labor.

We are truly blessed in so many ways, and it is with great pleasure that we give back to our communities. With that being said, we have shared many years of successful business together, and I am asking for your participation in making a dream come true for a deserving family. Outlined below are the cash donation sponsorships levels and the benefits we are offering with your generous contribution.

Street to Shingles Sponsorship Benefits	Copper		Bronze	Silver	Gold	Platinum
	\$250	\$500		\$1,000	\$2,500	\$5,000
